Scenario 1: Test Drive Booking				
ID	Reporter	Title	Description	Severity
1	Tiago Apóstolo – QA Eng.	Select a vehicle model - Wrong label "Diesel"	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "Select a vehicle model" page, the EQS Saloon model has a wrong label "Diesel" and should be "Electric".	Low
2	Tiago Apóstolo – QA Eng.	Select a vehicle model - Price without sign for EQS Saloon	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "Select a vehicle model" page, the price tag should have a pound sign "£" before price for EQS Saloon model.	Low
3	Tiago Apóstolo – QA Eng.	Select a dealer in the map - Wrong total number of showrooms	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user selects a EQE Saloon for a test drive and is on "Select a dealer in the map" page, the number of total showrooms found, doesn't match with the sum of all occurrences. On the map we have 118 dealers and on total results we have 221.	Medium
4	Tiago Apóstolo – QA Eng.	Confirm the selected dealer – icon on the map doesn't match with address	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user selects a EQE Saloon model for test drive and selects the dealer "Mercedes-Benz of Newcastle upon Tyne", the icon on the map doesn't seems to match with the address. The icon is not on "Scotswood Road".	Low

5	Tiago Apóstolo – QA Eng.	Confirm the selected vehicle and choose a motorization - Wrong title "EQS"	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "choose a motorization" page for an EQE Saloon model, the title is wrongly "EQS Saloon" and should be "EQE Saloon" .	Low
6	Tiago Apóstolo – QA Eng.	Confirm the selected vehicle and choose a motorization - Button with wrong text	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "choose a motorization" page for an EQE Saloon model, the buton has a wrong text "Request a test drive" once it is not the final step. Should be something like "Confirm"	Low
7	Tiago Apóstolo – QA Eng.	Choose a date and time - should be shown the time on time slot	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "choose a date and time" page for an EQE Saloon model, the time slots should show the time (hour:minute) for each slot.	Low
8	Tiago Apóstolo – QA Eng.	Choose a date and time - Button with wrong text	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on "choose a date and time" page for an EQE Saloon model, the buton has a wrong text "Request a test drive" once it is not the final step. Should be something like "Confirm"	Medium

9	Tiago Apóstolo – QA Eng.	Fill in personal information - email field should validate the input	IOS 16 Safari v16.5 Market: United Kingdom Date: 07/07/2023 Environment: Production Version:6.0 When the user is on last page "Fill in personal information" for an EQE Saloon model, the email field it is accepting wrong email addresses. The field should validate the input with correct email addresses.	High

Scenario 2: Search a vehicle

1	Tiago Apóstolo – QA Eng.	Navigate to the search page - Image not displayed	iPad Pro 12'' Chrome v114.0.5735.198 Market: Australia Date: 07/07/2023 Environment: Production Version: 8.246 When the user navigates to the search page , the "GLA 200 " model is not showing the image of the car.	High
2	Tiago Apóstolo – QA Eng.	Choose vehicle type - wrong number of available EQB vehicles	iPad Pro 12'' Chrome v114.0.5735.198 Market: Australia Date: 07/07/2023 Environment: Production Version: 8.246 When the user is on search page and filters the results by vehicle type "EQB", the button shows zero results available vehicles, but when the user clicks on the button to filter the results, we have 72 available vehicles. The button should show the correct number of vehicles.	High
3	Tiago Apóstolo – QA Eng.	EQB vehicles not sorted correctly by price	iPad Pro 12'' Chrome v114.0.5735.198 Market: Australia Date: 07/07/2023 Environment: Production Version: 8.246 When the user is on search page and filters the results by vehicle type "EQB", and on the filter "Sorting" is selected "Price: Low to High", the results are not sorted by low to high price. Suggestion for debug: It seems to be sorting by the old price.	Medium
